

# **Help Bring Shade Cabanas to Maybank Tennis Center**

We are looking forward to an exciting year at the Maybank tennis facility with matches, clinics, lessons, fun pick-up games and the opportunity to meet new tennis friends.

Just imagine a hot summer day, a tough match with friends on our fine Har Tru courts, you switch courts at the change over and see a shady spot to rest and get out of the sun!

Yes, shade cabanas are coming to Maybank but we need your help. The City will purchase and install cabanas between our Har Tru courts and will also fence mount a cabana on court #13 but players and supporters of the Maybank tennis facility are asked to raise the funds required for the project—a modest \$6000 for each cabana. If players contribute \$50 each or a family using the courts \$100 the project budget could be quickly reached. But, of course, contributions in any amount will be welcome.

Contributions by credit card or check can be tendered at the court center, on the City website, [www.rectrac.charleston-sc.gov](http://www.rectrac.charleston-sc.gov) activity #541000, or by mail, 1880 Houghton Drive Charleston, SC 29464. Please make checks out to the “City of Charleston.” Receipts will be given for donations over \$250 and the Federal Tax Id noted. Full details of the project will be available at the Maybank court office; so please be curious!
